

Because of your generosity I can play golf again, cruise around my yard and have fun with my children and pets!

**TAMARA LAWTER**  
National Vice President  
Paralyzed Veterans of America

I can play golf again, go to the beach with my grandchildren, and use it in many places where I cannot walk.

**THOMAS MICHAUD**  
Retired Police Chief  
(suffers Multiple Sclerosis)

To play golf again, enjoy family activities, and "weed whack" and work in my yard is an absolute joy!

**ANDY MEIRI**  
Business Owner  
(Paraplegic)

The Stand Up and Play Foundation is a qualified 501(c)3 tax-exempt organization.

# SPONSOR FREEDOM

## FOR THE DISABLED

## IT'S MORE THAN GOLF. IT'S FREEDOM.

The Stand Up and Play Foundation's mission is simple: to give wheelchair User and those with mobility challenges the chance to stand up again; to experience the empowerment of looking someone in the eye; to experience the freedom to play sports. It's simple. Our goal is to give as many people as possible the gift of standing up.

We want to make Paramobiles/VertaCats available to as many veterans, veteran's groups, support organizations, rehab centers, hospitals, golf courses, and individuals as possible.

## FOUNDER ANTHONY NETTO

A native of South Africa, Anthony has become an international ambassador for challenged golf, and USGTF Master Golf Teaching Pro since 1999. He has been involved in Disabled golf across the globe.

Today he resides in the US where he spends much of his time training PGA professionals, rehab therapists and adaptive golf organizations on how to use golf as a therapy, while also serving as a consultant for handicapped golfers worldwide.

Motivated by his own challenges, Anthony co-invented the Paragolfer all-terrain standing sports wheelchair in 2000, and founded the Stand Up and Play Foundation in 2010. He achieved another milestone in 2023 by co-founding and developing the VertaCat, a revolutionary adaptive golf cart. The VertaCat empowers users to navigate the green independently and confidently, showcasing advanced precision technology. This innovative device not only offers mobility-challenged players the opportunity to refine their unique styles in the game but also contributes to their overall well-being, both physically and emotionally.

## CORPORATE SPONSORS

To donate, volunteer or to tell us how we can help your community or organization, visit us at The Stand Up and Play Foundation is composed of individuals donating their time and efforts to make active standing therapy a reality for everyone who uses a wheelchair. Accomplishing our mission requires traveling to potential sites, training of volunteers, and purchasing supplies and equipment such as Paramobile/VertaCat units, adaptive sports equipment, and much more. Your financial support will help us form an adaptive sports chapter in your community or in an underserved community. We need your help to expand our current programs and to form new ones.

### When you help, you'll also enjoy these benefits:

1. Your company name and logo on a Paramobile housed at a location hosting a Stand Up and Play Chapter.
2. Your company logo and link displayed on our website
3. Your company logo on our printed literature

Your generous donations allow us to continue our goal of getting all wheelchair users access to a Paramobile. The benefits to these individuals are countless, and your sponsorship is priceless.

**Please contact us to discuss the different levels of giving that might be right for you.**

With your help, we can continue to provide grants for veterans and veteran organizations, as well as establishing adaptive sports chapters throughout the US and Canada.

The physical therapy and positive psychological benefits a disabled person achieves by standing, to actually participating in sports and recreation, has an enormous impact on their lives.

These outstanding veterans groups now partner with the Stand Up and Play Foundation:

Salute Military Golf Association  
American Lakes Veterans Golf Course  
Air Force Retirement Home  
Freedom Golf Association  
PGA Hope • PGA Reach  
Accessible Golf Alliance  
Fair Ways for Warriors Craig Hospital  
Rancho los amigos Shirley Ryan Abilitylab  
And other hospitals and rehab centers  
in the USA and Canada

**We also support first responders and children.**
